**Strategic Plan 2019 - 2021**

*“To produce and present imaginative, inspiring and engaging performances, and to embrace the vibrant culture and communities of Sligo and beyond, by providing a creative space that fosters performance, collaboration and excellence.”*

# Hawk's Well Theatre Strategic Plan

**Hawk's Well Theatre exists because the people of Sligo dared to dream.**

In the lead-up to its 40th anniversary in 2022, we set out our ambitions for a period of renewal which will deliver a transformed space fit for our 21st century vision. The renewal is not just about the building. It is about reinvigorating our purpose and our people to bring a freshness to our approach. It is about making the most of a once-in-a-generation opportunity and preparing for an extraordinary future.

This plan will guide us through the next three years as a dynamic, evolving company and theatre, vitally connected to our diverse community. We look forward to working with the community to implement this vision, for the benefit of the many people who hold the Hawk's Well Theatre so close to their hearts and for the many more who will join our community in the coming years.

**We will dare to dream, dare to expand horizons and dare to reach for the extraordinary.**
